PROUDLY SUPPORTING OUR LOCAL CLUBS

# Now with even Greater Rewards!

## Rewards

**Every \$1 your club member spends on food and beverage earns your club 1 point.**

These points tally throughout the year and can be converted into vouchers and cash that you as a club can use or spend in whatever way you want, use the vouchers towards player incentives or towards your clubs next function at the Highland

### More Points = More Reward

As per the rewards table, at the end of the year, the Society will issue you with the corresponding cash and vouchers based on the level you achieved. This will be issued in February at a special happy hour with live entertainment and finger food.

### Eligibility

To be eligible for the rewards, you must have 20 members signed as financial members of the Society and throughout the year hold a major function with us.

## Achieve Your Target

To ensure that maximum points and maximum rewards are accrued by your club, make sure that your members have nominated your club in their Highland Society membership.

Members must be financial and not social members. There are great rewards individually for members at the Highland Society including food and beverage discounts, birthday rewards and exclusive member only offers.

The Highland Society will make available information on the benefits of membership on request from any club.
